# COMGRAPH 2006

7th Asia Pacific Digital Art & Animation Competition

- ComGraphics&Animation
- BroadcastAsia
- International Conference
- Travel and Accommodation

## Be Recognised at Asia's Foremost Graphics & Animation Competition

Reviewed by a panel of recognised local and internationally acclaimed judges, ComGraph2006 is the regional event for you to showcase your best works. Complement to this competition is an animation screening and digital art display at the region's largest and most established electronic media trade event - BroadcastAsia and ComputerGraphics&Animation exhibitions that is visited by over 10,000 industry professionals. A total of 30 shortlist works from the computer animation categories will be screened at the event. What's more, the digital art display will showcase all digital art entries received by enthusiastic participants.

ComGraph is the recognised platform for talents and professional and student enthusiasts to congregate to share ideas, knowledge and techniques. Be a part of this annual gathering of the best in the industry.
